Hellos Amigos !!!

Do you have a passion for entertainment industry and a desire to learn more about it? You're interested in a career in the film industry?

If your answer to any of these questions is 'yes', then Into Film is for you.

Talent Space provides you with the opportunity to become part of a team of young people that are the face of Into Film. As a member of the website you get job film reviewing, reporting and programming training that will prepare you for reviewing films before anyone else, interviewing the stars on the red carpet and advising us on the film choices at the yearly Into Film Festival. Everyone given a place on the scheme will receive exclusive behind-the-scenes access to the film industry and great opportunities to explore a career in film. From careers advice to work placements, we will give you everything you need to know to gain the knowledge and experience. Over the next three years Into Film will have lots of Talent Development opportunities, which will be announced on this site. To be the first to find out more sign up to our newsletter today. It's been an indescribable transition... I began to understand that I had adapted to the way that the film and press industry worked and I was able to finally be a part of it.

I would recommend anyone who is interested in film joining because it gives them amazing opportunities. It's also good for experience if you want to be a presenter in the future.
